

SUPRA
PENS

PRODUCT CATALOGUE

Prologue to Progress

“We don’t just make writing instruments. We set industry benchmarks.”

"Making a million write every day"

Supra pens are built to deliver the ultimate writing experience with a wide range of functionality and design. That's because at Supra, quality wasn't achieved by accident one fine day. It is a result of years of research, unyielding passion, sincere efforts and skillful execution.

With affordability, accessibility and inclusivity at the centre of all our efforts, our vision is to craft the best writing instrument. And while doing so, we aim to make world-class Swiss Technology available for people, irrespective of their social and economic standing. All in all, we believe in empowering every hand with a baton of excellence, crafting a bright future for the country, one word at a time.

BALL PEN

Comfortable writing guaranteed by ergonomic grip zones with free-flowing ink to match your creativity.

GEL PEN

Wide range of water-based gel ink, ensuring consistent writing of the same thickness till the last drop of ink.

DESIGNER PEN

Say hello to a pen that is as unique in look, as it is efficient. This pen comes with a fine 0.7mm tip and is available in three classic colours. Go, think up and pen down.

DF PEN

Affordable Direct Fill pens with a consistent ink flow mechanism. Essential writing instruments for fuss-free writing.

ACCESSORIES

Geometry box and white corrector to take your creative expression to the next level and ensure clean error-free writing.
